Welcome

HYDERABAD

Dear IAAPS Family,

We are delighted to announce the **Annual Conference of the Association of Aesthetic Plastic Surgeons of India (IAAPS) – AESURG 2027**, scheduled to be held from **22nd to 26th January 2027** in **Hyderabad**.

It is a great honour and privilege for us to be entrusted with the responsibility of hosting this prestigious academic event in Hyderabad. Known for its unique fusion of rich heritage and modern development, Hyderabad stands as one of India's oldest cultural centres while also being a thriving metropolitan city.

The chosen venue, **Novotel Hyderabad Convention Centre**, is conveniently located in the heart of **HITEC City** and offers world-class facilities, excellent amenities, and comprehensive event support, ensuring a comfortable and enriching conference experience.

We have constituted a dedicated core team that will work tirelessly throughout the year with the objective of curating an outstanding scientific programme alongside thoughtfully crafted and memorable social events.

Aesthetic Surgery is a rapidly evolving and expanding domain within Plastic Surgery. Keeping this vision in mind, **AESURG 2027** carries the theme **"Shaping Tomorrow's Aesthetics"**, aiming to refine, and expand the horizons of aesthetic practice.

Hyderabad is well connected to all major cities across India, and the weather in late January is at its pleasant best. We invite you to mark your calendars and block these dates well in advance.

We look forward to welcoming you and your families to **AESURG 2027** for an enriching academic experience and warm Hyderabadi hospitality.

Warm regards,
